Who are WE

The Dallas Center Dunkard Brethren Vacation Bible School, located a mile north of Dallas Center, IA on Quinlan Ave, started in 2008 with the goal to advance biblical knowledge in our youth as well as share the gospel message with the youth of the community.

Since our beginnings we have grown to around 100 students each year, welcoming children between the ages of 4 and 14. All children are welcome to attend. No prior knowledge of the bible is required for attendance. If your child has a disability we will do our best to provide adequate accommodations for them. This includes a dedicated aid if necessary.

While we do not have a dedicated curriculum provider, our bible school committee checks all materials to be sure they align with the scriptures. Over the years we have written our own materials as well as used curriculums from Answers in Genesis, Voice of the Martyrs, and some small private creators.

Our daily schedule consists of lesson time with a dedicated teacher, a craft that the children get to take home, snacks and play time, and worship as a large group. Parents are welcomed to join us for worship each evening.
